Solutions to problems in the community are found by working together. In 2014, Bakersfield Ivy Legacy Foundation (BILF) was birthed from the need to work together. We work closely with Alpha Kappa Alpha Sorority, Inc., Kappa Omega Omega Chapter (AKA) to increase funding for education, health awareness, financial literacy, fine arts, and global impact programs.

The **2019-2020** year kicked off with the 3rd Annual **Project Next Step Conference**. We were so proud to participate once again in planning and executing this one-day event. With Project Next Step, we seek to help students better connect with school personnel and experience higher levels of academic engagement, which is imperative to the students' long-term success.

Miss Fashionetta was another great event for this season. As our main fundraiser, this collaboration with Alpha Kappa Alpha Sorority did not fail in that over \$60,000 was raised!!

It was truly a blessing to give over \$6,800 in scholarships at the 40th Annual **African American Graduation Awards**. This amount is a whopping 70% increase from last year's giving. This is all because of increased giving from the community!

The **#CAP** Program was kicked off this year and we were able to host the online registration process. **#CAP** is focused on assisting high school students (Juniors and Seniors) with navigating the college admission process via workshops for students and parents.

We enjoyed several opportunities of increased visibility in the community as we participated for the third year in **Give Big Kern!** We also participated in **#GivingTuesday** for the very first time.

To expand the ability of the community to connect with us and learn more about our key programs we launched two new URLs in **projectnextstep.org** and **gradawards.org**. We're thrilled to watch traffic on those sites grow!

We are excited and continue working together with Alpha Kappa Alpha Sorority and the community to increase educational and leadership development in Kern County next year and beyond!

Program Highlight: Annual African American Graduation Awards

The 2020 program was The 41st Annual celebration. Themed “Stepping into Greatness- Academic Excellence,” it was held virtually on May 30, 2020 due to the unprecedented global COVID-19 pandemic. Despite being unable to meet in person to recognize African American middle and high school student achievement, the Bakersfield Ivy Legacy Foundation partnered with the local chapter of Alpha Kappa Alpha Sorority, Kappa Omega Omega, and community organizations to celebrate the academic greatness of Kern County youth virtually via www.gradawards.org. The online program has been viewed more than 750 times.

Twenty-seven high school students, with grade point averages between 3.2 and 4.4; 11 of whom had over 4.0 GPAs, were awarded over \$15,500. Community Donors awarded \$3,450 scholarships to sixteen students. Over 250 honor roll students from 23 middle schools received certificates of achievement.

Program Highlight: Project Next Step

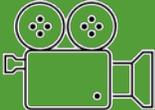

The intent of this one-day conference and resource fair is to equip students and parents with relevant information that will help ensure student success in high school and beyond. 144 students along with just as many parents and family members were welcomed to the campus of Bakersfield College for this 2019 event. We met our goal of sharing resources to ensure student success with those attending. Students and parents are confident they have a greater chance for academic achievement this school year. Students in 9th, 10th, 11th and 12th grades were engaged. BCSD even brought middle school students to take part. We are excited to continue working with AKA, Kern High School District, California State University, Bakersfield, Bakersfield College, Kern Community Foundation other academic institutions and community organizations to increase attendance & resources available at next year's conference. Program Highlight: Miss Fashionetta

The Miss Fashionetta® Program is a true celebration of young ladies discovering who they are & who they can become. The positive mentoring of the program encourages them to dream, plan & take steps to ensure a positive future. The young ladies develop into stronger leaders on their high school campuses & many have gone on to rewarding careers in the fields of medicine, law, higher education, & business.

- 272 attendees were served a delicious meal at the Bakersfield Marriott on Sunday, March 8, 2020 at 3pm.
- The 7 Enchanting Pearls of Excellent and Grace looked beautiful! They were awarded a total of \$13,510 in scholarships.
- The 6 “Littles” were awarded a total of \$3,800.00 in scholarships.
-  See the program video at www.missfashionetta.com

“GivingTuesday is a global generosity movement unleashing the power of people and organizations to transform their communities and the world. GivingTuesday was created in 2012 as a simple idea: a day that encourages people to do good. Since then, it has grown into a year-round global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.” more information at www.givingtuesday.org
